

COMPANY OVERVIEW

Founded in 1998, JANSON is a woman-owned small business headquartered in Virginia, with offices in Atlanta and Frankfurt, Germany. For nearly three decades, the firm has partnered with military, federal, and commercial clients to transform facilities, environments, and communications in support of mission success.

Its work focuses on modernizing buildings and workspaces, creating immersive environments, and delivering strategic communications that strengthen identity, improve efficiency, and engage stakeholders. Providing end-to-end solutions from concept through installation, each project is tailored to client missions and priorities.

Led by Founder and CEO Janet M. Chihocky, the organization is driven by service excellence, collaboration, and long-term relationships, with a culture grounded in stewardship, integrity, and community impact.

PAST PERFORMANCE

Army Acquisition Support Center (2022–2027)

Facilities Rebranding & Modernization | \$4.5M

PEO Soldier (2024–2029)

Facilities Modernization & Branded Environments | \$4.5M

CORE COMPETENCIES

➤ Buildings & Environments

Modern, mission-ready spaces that help people work better, feel proud, and get the job done.

➤ Training Spaces & Platforms

Purpose-built and integrated spaces and tools that make learning more immersive, interactive, and impactful.

➤ Dining Facilities

Trusted experts in transforming dining facilities into spaces that elevate every meal and every interaction.

➤ Scenic & Exhibits

Custom builds for exhibits, installations, and events that make stories visible and unforgettable.

➤ Analytics & Strategic Services

Through assessments, analysis, and innovative product development, we deliver quantifiable results that move your mission forward.
