About Us:

NYES is a New York City based manufacturer with more than 30 years of production experience. Our 90,000 sq. ft. facility in the Brooklyn Army Terminal currently produces millions of garments per month, with the ability to quadruple output within six months. With access to a vast network of skilled labor, NYES can scale up rapidly to support manufacturers and distributors looking to reshore their production capabilities.

Core competencies:

- Advanced Domestic PPE Manufacturing & Automation
- Technical Textile & Cut-and-Sew Manufacturing
- Scalable Domestic Manufacturing Solutions

Core Products:

- Isolation Gowns
- Standard Surgical Gowns
- Patient Gowns
- Face Masks, Procedure and Surgical
- Coveralls
- Lab Coats and Lab Jackets
- Disposable Scrubs
- Shoe Covers
- Bouffant Caps
- Bibs
- Sleeves
- Exam Shorts
- Textiles & Uniforms

*We also offer customization options and can develop additional items based on your specific needs.
